Active Learning Services Presents:

Nardin Academy (July 19 - July 23, 2010)

Chess Camp

This summer USA Chess is offering a fun and entertaining chess camp at Nardin Academy. Children ages 5-16, from beginner to advanced are all welcome! USA Chess is the largest and premier chess camp organizer for children in the United States. Their staff is comprised of the finest children's chess instructors in North America. Registration options include mornings, afternoon and all-day sessions. Campers experience chess instruction and play in a fun filled environment designed to improve their skills whether they are interested in casual or competitive chess. Tuition includes trophy, chess set and much more. Please visit: www.chesscamp.com for program details. Registration must take place directly with USA Chess and not through Nardin Academy.

Video Creation Camps

Video Game Creation If your child, ages 8-15, loves playing computer games then we have just the camp for them. Imagine how much fun they will have designing and programming their very own professional looking video games. All that's required is some computer know-how and a bit of imagination because there are no limits! Tuition includes all instruction, software license, camp T-shirt, trophy, certificate with group photo and daily snack. Our camp uses state of the art computers & software combined with expert instruction.

3D Animation Creation Using Scratch software developed by MIT, participants, ages 8-15, are guided step by step through the basics while creating their own 3D animated story, with a focus on fun. Campers will select from a gallery of animated characters called sprites. They will teach them walk, run, dance, turn around and respond to keyboard input. Students will learn to change backgrounds, add music, play catch, and other cool features. Throughout this course, they will learn basic programming skills while broadening their imagination and creativity. After the completion of camp, participants can install the software and story from our custom download site for further development or to simply show off.

For more information please visit: <http://www.gamebuildercamp.com/video.htm> or call 888.652.4377. Registration must take place directly with USA Chess and not through Nardin Academy.
