

Dear Elementary Parents,

A few years ago, Nardin Academy implemented a study hall program for elementary students participating in Nardin Academy sports after school. This service was added to provide a learning environment for students to work on homework assignments and read or study material for upcoming tests and quizzes. It is also intended to ensure that all students are together and ready to get on the bus to be transported to practices or games in a timely manner, as well as to ensure that we are not holding the bus waiting for a student who is late.

This year, in an effort to provide a safer and more structured environment for students participating in our after school sports programs, we are making study hall **mandatory**. Nardin Academy will provide a study hall while students are waiting for practices and games that begin prior to 5:30pm on school days.

All students who are members of a team that have a practice or game scheduled that day (before 5:30) must report to study hall after school. If the student has an after school club they need to attend or need to meet with a teacher, they will be given a pass by the study hall monitor after they have been signed in.

Please complete the bottom portion of this form and return it with the other required athletic forms via email (athletics@nardin.org) or fax (881-4190).

Study Hall Rules

1. Students must report to the study hall room immediately following the end of the school day and attendance will be taken.
2. Students must obtain permission from the study hall monitor to leave the room for any reason. They will be given a pass to attend an after school club (ie. Reading club) or meet with a teacher. They must return to the study hall room with the pass signed prior to leaving for practice or a game.
3. Students are expected to come prepared with work to complete, materials to study, or a book to read while in study hall.
4. Students will be given an opportunity to change into their practice clothes or game uniforms.
5. Cell phones, ipods, mp3 players, etc are not be allowed to be used
6. Students cannot use the vending machines (healthy snack will be provided)
7. Students are to work *independently* on homework (unless given permission to work quietly in a group)
8. Noise is kept to a minimum so that students can work without distractions.
9. Failure to abide by the study hall rules will result in removal of the student from study hall for the remainder of the year.

Sincerely,
Joe Baudo
Athletic Director

I have read and understand the Nardin Academy Athletics study hall policy. I understand my child is expected to attend study hall per the above policy and follow all study hall rules.
