# **History of Nardin and the Daughters of the Heart of Mary Tradition**

## **Our Founders**

The Daughters of the Heart of Mary (DHM) were founded in 1790 in Paris, France during the height of the French Revolution by Fr. Pierre Joseph de Clorivière SJ and Marie Adélaïde de Cice. Both dreamed of a new way of living an authentic, vowed religious life in the midst of the world, without any distinguishing sign, habit, or cloister.

Today, the DHM continue to work to build a world in which the primary values are equality and justice for all God's people, endeavor to be a community in which each member's God-given gifts are appreciated and nurtured, and work for an earth that is protected and restored.

## **Our History**

Nardin Academy was founded in 1857 as the first Catholic Academy and free school in Buffalo, NY by Daughters of the Heart of Mary: Ernestine Nardin, Victorine Boucher, and Eliza Smyth. Endeavoring to help educate the children of the diocese, particularly girls, in a faith-based culture, the DHM opened both the Academy during the day and funded a free school for girls without means at night.

While it was officially named "St. Mary's Academy and Industrial Female School," the school was known in the community as "Miss Nardin's Academy." The name was changed to "The Nardin Academy" in 1917 and finally to "Nardin Academy" in 1951.

Throughout Nardin's history the Daughters of the Heart of Mary have permeated life on campus, both as staff and as guidance on the Board of Trustees.

Following this example, Nardin Academy students develop their talents and cultivate their intellect, character and courage so that they too can make a difference in the world.

## **History of Nardin Montessori**

Nardin Academy was founded in 1857 by Miss Ernestine Nardin, Daughter of the Heart of Mary (DHM). It is a school that has a long history of commitment to quality education.

Nardin Academy was the first school in Western New York to begin a Montessori preschool program. This program was founded in 1963 by Miss Irene Murphy, DHM. The program originally began with two morning classes and two afternoon classes. Over the years the program has grown to meet the changing needs in society and now offers half-day sessions as well as full-day sessions and after school care.

# Nardin Academy Presidents

Marsha Joy Sullivan (2016-present)  
John Thomas West III (2015-2016)  
Marsha Joy Sullivan (2008-2015)  
Barbara Wentworth, DHM (2004-2008)  
Barbara J. Rapier, DHM (1996-2004)  
Patricia Lucas, DHM (1992-1996)  
Dorothy Baker, DHM (1990-1992)  
Harriet Gilles, DHM (1982-1990)  
Irene T. Murphy, DHM (1976-1982)  
Marie A. Cregan, DHM (1968-1976)  
Mary Kammerer, DHM (1961-1968)  
Helen Gearity, DHM (1953-1961)  
Helen Whissel, DHM (1950-1953)  
Alice M. Vale, DHM (1948-1950)  
Florence Grupp, DHM (1937-1948)  
Eva J. Visner, DHM (1932-1937)  
Sarah Mellon, DHM (1928-1932)  
Ada Potts, DHM (1922-1928)  
Mary Flaherty, DHM (1921-1922)  
Odelia St. Pierre, DHM (1916-1921)  
Mary C. Hendrick, DHM (1903-1916)  
Mary Moffitt, DHM (1902-1903)  
C. Schottmiller, DHM (1899-1902)  
Margaret Laurent, DHM (1897-1899)  
Ernestine Nardin, DHM (1857-1896)

# Historical Timeline

1851 - The Daughters of the Heart of Mary, a society of Catholic women, arrive in America from France.

1857 - Miss Ernestine Nardin, Miss Victorine Boucher, and Miss Eliza Smith, DHM, open the first Catholic free school and academy on E. Seneca St. in downtown Buffalo.

1868 - The school moves to a building at the corner of Franklin and Church streets. While it is officially named St. Mary's Academy and Industrial Female School of Buffalo, it is referred to as "Miss Nardin's Academy."

1868 - St. Mary's Academy graduates its first high school student, Miss Katherine E. Conway.

1874 - Boys were first admitted to the elementary school.

1883 - Miss Eliza Smyth establishes the Alumnae Association and is its first President.

1890 - The Cleveland Avenue campus opens for both day students and boarders.

1896 - Miss Nardin passes away at age 74. Father Nelson Baker performs her funeral mass, and she is buried in Holy Cross Cemetery in Lackawanna, NY.

1905 - F. Scott Fitzgerald attends the school.

1917 - The State of New York is petitioned to rename the school The Nardin Academy in honor of its founder.

1951 - The school's official name is changed from The Nardin Academy to Nardin Academy.

1957 - Nardin Academy celebrates its 100th anniversary.

1962 - A new high school wing and chapel open on Cleveland Avenue.

1963 - Miss Irene Murphy, DHM, expands the school by establishing the first Montessori program in WNY.

1996 - Mrs. Varue Oishei donates a portion of the former Oishei estate at 700-702 West Ferry Street and plans are made to create a second campus for the expanding Montessori school.

1998 - Nardin Montessori opens at the Oishei campus at 700 West Ferry Street.

2003 - The Koessler Family Library and Media Center opens on the 3rd floor of the Cleveland Avenue campus.

2007 - Nardin Academy celebrates 150 years of Catholic education.

2008 - Marsha Joy Sullivan becomes the first lay president of Nardin Academy.

2010 - The "Campaign Today for Nardin Tomorrow" funds an addition which includes professional grade orchestra and music rooms, dance studios, an expanded high school guidance office, a Montessori elementary classroom, as well as the Fatta Center for the Arts, seeded with a leadership gift from Carol Demme Fatta '62 and her family.

2013 - Nardin Academy launches Sustainable Nardin, a community wide initiative, in an effort to remain dedicated to protecting God's earth.

2014 - Nardin Academy initiates "Power UP" a 1-to-1 digital device and technology learning initiative.

2016 - The Nardin Academy Athletic Center opens.

## **Mission Statement: Amazing things for the world**

Inspiring hearts and minds to do amazing things for the world through faith, character, academic excellence and service.

## **Portrait of a Graduate**

### **A Nardin Academy Graduate:**

- Is a creative, curious and critical learner
- Leads with confidence, strength and integrity
- Grows through faith and spirituality
- Champions equity and justice
- Serves others with humility and compassion

## **Diversity Statement**

Every person has dignity and worth because they are made in the image of God. Understanding, respect and appreciation of cultural, economic, religious, and personal diversity is essential to developing compassion and building world peace. At Nardin Academy, we are committed to providing a safe and socially just environment in which to learn, collaborate and lead.

## **II. PHILOSOPHY AND OPERATIONAL CHARACTERISTICS**

The Nardin Academy Montessori Program is committed to parents and their young children. We offer a Toddler program (for children eighteen months through thirty-six months of age), an Early Childhood Program (for children from three to six years of age), and an Elementary program (for children ranging from First to Third grade). Our programs have been repeatedly accredited by the American Montessori Society and Middle States Association of Colleges and Schools. Dr. Maria Montessori, an Italian physician and educator, developed the Montessori approach to education: it encourages the development of the whole child to their own potential. Intellectual, physical, psychological, and spiritual aspects are fostered by means of a carefully prepared environment, exposing the child to a variety of specific materials and experiences.

### **Classroom Community**

Montessori philosophy fosters a natural sense of community in addition to a respect for each individual. In the classroom the children are given freedom of choice within a well-defined set of ground rules. These rules have been carefully established to provide fair and clear expectations for the working community, along with a consistent set of guidelines and consequences for one's actions. The teachers, assistants, and children work cooperatively to provide a safe, comfortable, and just environment in which to grow and learn.

### **View of the Child**

Children possess unique sensitivity and mental capabilities for absorbing and assimilating information from their environment, different by nature from those of adults. To help children reach their potential, the classroom environment stimulates and encourages the development of self-esteem, independence, self-motivation, and respect for oneself and others, along with a strong sense of community. Understanding that children learn at their own pace, the intellect is challenged in a developmentally appropriate manner through the Montessori learning materials. These materials and the Montessori philosophy have also taken into account the young child's need for physical activity by providing a large number of gross and fine motor experiences. Likewise, by means of their daily activities within the classroom community, children are able to explore and develop their social and emotional skills. It is our strong belief that we must educate the whole child according to individual needs, enabling the child to grow to his/her fullest potential.

### **Role of the Teacher**

The Montessori teacher has gone through a specialized training in Montessori philosophy, principles, and methodology. The teacher's role is to guide the child where needed and introduce the learning materials. One of the primary tasks is to carefully observe in order to assist growth and development. Observations help the teacher carefully design the stimulating learning environment which meets the needs of the child. The method of teaching

is indirect in that it neither imposes upon the child (as in direct teaching) nor abandons the child (as in a non-directed, permissive approach). Following the child's interest, the teacher actively works to help the student achieve their goals.

### **Curriculum – Early Childhood**

The Montessori environment contains four basic curriculum areas: Practical Life / Daily Living, Sensorial, Language and Math. It is enriched with art, music, geography, science and physical education. The materials in each area are sequenced, beginning at the most simple, concrete levels, and then moving into more complex, abstract concepts. Children freely choose activities from any curriculum area as their interest dictates. Explorations and interactions within the environment help them develop self-discipline, self-knowledge, and independence, as well as enthusiasm for learning, an organized approach to problem-solving and academic skills. Students have the benefit of a multi-age classroom, developing leadership skills, building confidence, independence and curiosity. In their final year of the three-year cycle, afternoon students gather and work on honing the skills necessary for first grade. They enjoy daily outdoor play time and physical education three times a week.

### **Pace of the Day – Early Childhood**

A warm, relaxed atmosphere is cultivated through a carefully planned environment and the sensitive pacing of the child's day. The classroom teacher gives the child as much time as needed to complete a task, allowing the child to repeat it as often as he/she likes. There is no need to hurry through and move on to the next project. An awareness of the child's changing energy levels throughout the day enables the teacher to accommodate both extremely active periods and calm, restful times as the child's needs dictate.

### **Spiritual Development**

The Catechesis of the Good Shepherd is an approach to the religious formation of children which is presented to the students in our Early Childhood program. It originated in 1954 with the founding of the children's center or "atrium" in Rome, Italy, and inspired by Montessori principles of education, it now extends to many countries including Africa, Brazil, Mexico, Colombia, Argentina, Canada, and the United States. An Atrium can be found in home, parish and school settings.

### **Extracurricular Activities**

There are a number of extracurricular activities offered to the children in our Early Childhood program. These may vary from year to year. Some examples of these are piano, violin and voice lessons, dance classes, gymnastics, and soccer. Parents are informed about these activities through emails, which detail the application, fee, and schedule. Transportation for all after school activities is the responsibility of the parent. If you are not able to transport your child yourself, please make arrangements with another parent whose child is also participating in the activity.

## **II. ADMISSIONS AND FINANCE**

### **Admission Procedures**

A formal application must be filled out and submitted with a non-refundable \$50 application fee. Nardin Academy Montessori Early Childhood Elementary is a three-year cycle, multi-age program, ranging in age from three (3) years through six (6) years of age. Our acceptances are granted based on availability of space for each age group and date of application.

### **Admission Requirement**

Children must be three (3) years of age by September 30th of the year they will be starting in order to enroll in the Early Childhood program. If your child is within a few weeks of this date they will be interviewed by the Principal to determine readiness. All children must be completely toilet trained and able to toilet independently when they begin school in September. Pull-ups are not permitted for Early Childhood students.

### **Tuition**

There is a \$1,000.00 non-refundable deposit due within ten (10) days of the date of acceptance. Failure to submit the initial deposit will result in forfeiture of enrollment in our program. Tuition payments are made in one of three ways: payment in full, eight (8) payments, or four (4) payments. If there are any questions regarding billing or other financial matters, please contact the business office at 881-6262. Tuition information will be sent at the time of acceptance.

### **Withdrawal**

Your enrollment agreement contains an important provision stating that after July 1st, a student is enrolled for the full academic year and no adjustment of fees can be made by the school for absences, withdrawal from the program or dismissal from same. Nardin does offer a Tuition Refund Plan (underwritten by the DGU Insurance Company for A.W. G. Dewar, Inc.). Please refer to your "enrollment package" for further explanation.

## **Orientation / Phase-In for Early Childhood**

The first three days of the school year are devoted to helping the child adjust to the program.

It is essential to have the full cooperation of parents at this time. We require all students to attend their assigned phase-in periods. **New students must have a parent or other adult with them for these two days.** It is not necessary for parents of students who are returning to attend. Guidelines for helping the child during phase-in and phase-in assignments are e-mailed out during the summer.

## **III. DAILY OPERATIONS**

### **Program Structure**

We offer a three day a week program for three year olds (either half day or full day sessions which run Tuesday-Thursday) or a five day a week either half or full day session for four year olds, and only full day sessions for five year olds. Both half and full day sessions provide children with opportunities for independent work, group time, movement, and art activities.

The session times are:

8:30 – 11:30    Half-day session

8:30 – 2:45     Full day session

An after-school care program is also available for children in the Montessori Early Childhood program.

2:45 – 5:30    After-school care

### **Arrival and Dismissal**

#### **Arrival**

Faculty will be outside to greet the children in the morning between 8:00 – 8:40a.m. Parents should pull in to the one-way driveway on West Ferry where a staff member will help your child(ren) out of the car and escort them into the building. **Parents are asked to remain in their cars.** Please have your child's car seat on the passenger side of the car. If you arrive after 8:40 a.m., please park in the visitor spots in front of the school and walk your child into

the building using the entrance located on the left side of the building. Please accompany your child to the basement to hang up their coat and backpack, then bring your child to the front desk where a staff member will greet you and escort your child to their classroom.

**Attendance is taken at 8:45 a.m.; your child needs to be in his/her classroom prior to 8:45 a.m.**

### **Early Drop-Off**

If you MUST drop your child off prior to normal arrival time (due to your work schedule) you may drop your child off **no earlier than 7:30 a.m.** Please complete the form provided in your summer mailing. We ask that, whenever possible, you arrive between 8:00 a.m. – 8:20 a.m. for regular arrival.

### **Dismissal**

**Parents are asked to pull into the circular driveway where staff will help the children into their cars. Parents should remain in the car,** waiting for a staff member to bring their child.

A member of the staff will walk each child to the car, load them in the car, and close the door. Promptness at dismissal is very important. Dismissal occurs at 11:30a.m. for half day Early Childhood students and 2:45 p.m. for full day Early Childhood students.

### **Early Pick-Up**

On occasion you may need to pick up your child from school early. Please allow yourself enough time to come into the building and get your child from his/her classroom and gather his/her things from the coat room. **Given the demands of the classroom, it is not possible for the teachers to take on this responsibility.**

### **After School Care and Pick-Up**

After School Care is provided for full-day Early Childhood students, for an additional fee, on the West Ferry campus. After School Care begins immediately at dismissal (2:45 p.m.) and runs to 5:30 p.m. When picking up children who participate in the After School Care program, parents are asked to enter Nardin Academy Montessori through the entrance at the Front Desk, and let an after school faculty member know that you have arrived. Please sign your child out before leaving the campus. **You will be charged through 5:30 p.m. if you do not sign your child out.**

***NOTE: If someone different is picking up your child, it is IMPERATIVE AND ESSENTIAL that we have written notification of the change on the day that this will occur.***

***Please complete and return the “Authorization For Pick-Up” form, which will list the individuals authorized to transport your child.***

### **Transportation**

Transportation must be arranged by parents. No transportation is provided by the school.

Car pools may be arranged by parents if desired. At Early Childhood age of five and higher you may contact your local school district to determine if they provide bus transportation to private schools. If you live within the City of Buffalo you should contact the Transportation Department to arrange for bussing; this should be completed before the first day of school, as it takes about two (2) weeks to establish bussing for a student.

### **Cell Phone Use**

For the safety of all, we ask that you not speak on your cell phone during arrival and dismissal.

### **Clothing and Personal Belongings**

Nardin Academy Montessori has a uniform for the Early Childhood program. Please go to [www.landsend.com](http://www.landsend.com), click on School Uniforms, go to LOOK UP YOUR SCHOOL, and enter our state, city, and school name. You will be directed to our Nardin Uniform webpage.

Each student must bring a change of clothes, including underwear, socks and shoes, in case of “accidents” or spills. These clothes are not required to be the uniform clothing. Clothing should be brought in a shoebox, clearly labeled with your child’s name, on the first day of school to be left for use during the school year. **All items MUST be labeled with your child’s full name.**

**THE CHILDREN MUST WEAR SNEAKERS TO SCHOOL AT ALL TIMES FOR THEIR SAFETY and TO ACCOMMODATE PHYSICAL ACTIVITY.**

JELLIES, SANDALS, OR PARTY SHOES ARE **NOT ACCEPTABLE** for daily wear.

A backpack will be necessary for each child and should have the child’s name on it. It will help to transport hats, mittens, important papers and folders to and from school.

**LABEL ALL CLOTHING:** sweaters, jackets, raincoats, winter coats, hats, scarves, both mittens and both boots. This can be done easily with a laundry marking pen.

For children participating in the full-day program, a beach towel is necessary for naps. Please mark this clearly and visibly with your child’s name.

The children **should not** wear or bring those little “extras” to school, such as rings, bracelets, watches, gum, candy, or toys. A special tape, book, or nature collection may be shared with the other children after checking with the teachers before it is brought to school.

## **Physical Education Classes**

Physical Education classes are offered to all children in the Early Childhood Program.

Children will remain in the same gym class that they are assigned to for the entire school year. Children frequently go outside for this experience, so please dress your child appropriately for the season. **SNEAKERS ARE A MUST!**

## **Birthdays and Holidays**

**Birthdays:** We like to recognize each child's birthday. If you wish, you may send in something nutritious to eat, such as cheese, crackers, breadsticks, fruit, vegetables, or juice. Please be aware that there may be students in your child's class who suffers from food allergies-- if you are unsure about a treat, please ask!

We cannot take responsibility for passing out invitations to a child's birthday party to be held outside of school. A list of the child's classmates is included in the summer emails you receive. Please use this list and the Nardin website via the Parent Portal and mail birthday invitations individually to each child you wish to invite.

**Holidays:** Holiday celebrations are kept very low-key in our classrooms. This works best with young children who are easily susceptible to over-stimulation.

## **Meals and Snacks**

**Meals:** Parents are responsible for providing lunch (INCLUDING A DRINK) for children who stay all day. We recommend the use of a well-labeled lunch box (use a laundry marking pen inside and out, or a luggage tag on the handle). A hot lunch can be purchased through the Nardin Dining Hall: the meals are delivered daily to the West Ferry campus. We continue efforts to purchase and prepare as much locally sourced, sustainable and organic food as possible allowing us to make it as easy for your students to make good choices and ensure healthy meals. You will receive an email with the website for ordering and your password at the beginning of the school year- you can choose the lunches and meal plans you desire, and pay for them according to the website instructions. This is coordinated by the Dining Hall (**Julie Levin at [jlevin@nardin.org](mailto:jlevin@nardin.org)**).

**Snacks:** Parents of Early Childhood Program students will be responsible for providing one week's worth of snack during the year. The classroom teachers will provide a shopping list on the Friday prior to your week. Groceries should be brought in the following Monday. For children who are participating in the After School Care program, a snack is provided by the school.

## **School Cancellations**

We have instituted a phone notification system through which you will be contacted in the morning should the school be closed. Alternately, if weather conditions appear hazardous either prior to or during the school day, listen to the radio, especially stations WBEN 930, WWKB 1520 or WGR 970 for school closing information. Please listen for an announcement stating that Nardin Academy will be closed due to weather conditions.

## **HEALTH OFFICE POLICIES AND PROCEDURES**

### **PHYSICAL EXAMINATIONS:**

1. A current physical examination is required for all students (both returning and new). This report must be on file in the health office. There are no exceptions.
2. Any students who participates in any extracurricular physical activity including team sports (swimming, etc.) and after school clinics, ski club, and the 6<sup>th</sup> grade camping adventures, **must have an updated annual physical report for the current year.** No exceptions to this requirement can be made. Parents are advised to make appointment early in the summer to avoid disappointment in September.

### **IMMUNIZATIONS**

New York State Law requires proof of immunization for diphtheria, tetanus, whooping cough, polio, measles, mumps, rubella, Hepatitis B and chicken pox for all students. Additional immunizations are required for specific age groups (Toddlers, Pre-K, 6<sup>th</sup>, 7<sup>th</sup> and 12<sup>th</sup> grades). Check with your healthcare provider or the health office staff for specifics if you have any questions.

### **ADMINISTRATION OF MEDICATIONS**

New York State Education Laws govern the administration of medications during school hours. They may be administered by the school nurse or designee after receipt of the following:

1. A note from the student's physician stating the name of the medication, the dose and the time to be given.
2. A note from the student's parent giving the school nurse or designee permission to administer the medication.
3. A separate bottle of medication with the prescription label which will remain in the school until the completion of the therapy.

This applies to all medications, including over the counter drugs such as aspirin, cold capsules, cough drops, etc. There are no exceptions to this policy. All medication orders must be renewed annually or when there is a change in medication or dosage. **THERE ARE NO EXCEPTIONS TO THIS POLICY.**

## **COMMUNICABLE DISEASES**

If your child becomes ill with a communicable disease or condition, you are asked to notify the Health Office as soon as possible. Once so notified of confirmed cases, the health office will alert the other parents as to the symptoms of the condition, watch for such symptoms in students who seek health care in school, and notify the proper authorities in the event that this is required.

If your child presents with symptoms of contagious infection, such as strep throat, conjunctivitis (pink eye), or a questionable skin rash, he/she will be sent home until diagnosis can be confirmed or ruled out and a physician's note is sent in with your child. This is necessary to ensure the health and well-being of the entire student body. **Children who come to school sick will be sent home.**

## **ABSENCES**

Colds and other illnesses are easily contracted by children during the first few years of exposure to other children. For the health of the staff and other children, we ask that your child remain at home during the stage of a cold when mucus is especially heavy. Students who complain of nausea, stomachache, headache, head or chest congestion, or sore throat, should stay at home. If your child has had a fever he/she must be free without medication for a full 24 hours before returning to school. A written excuse is required (students who are over 5 years of age) for each absence and should be brought to school the day the student returns.

## **MEDICAL EMERGENCIES**

In the case of necessary emergency medical treatment, and the parent cannot be reached, school personnel will render first aid treatment and then arrange transportation by ambulance to Women's and Children's Hospital. A staff member will accompany and stay with the child until a parent can be reached.

## **SCREENING PROGRAMS**

During the year, a screening for vision and hearing will be conducted only to students in grades designated by the NYS School Health Services. Parents will be notified if further examination by a specialist is indicated.

## **INJURIES/CONCUSSIONS**

1. Parents must notify the school and health office if the child sustains an injury, concussion or suspected concussion. It is a state law that your child has a gym excuse from a physician if he/she is out of gym for more than one week.
2. In cases of a suspected concussion, head injury or actual concussion the concussion protocol will be instituted.
3. All students with a documented injury must be cleared by a physician prior to returning to gym or sports.

## PARENT COOPERATION

### Communication

We are always available to discuss any concerns you may have, when the children are not our immediate responsibility. It is therefore requested that no "visiting" between teachers and parents take place during class time (or in after-school). You may write a note or email requesting a conference time or a phone call, and we will be happy to accommodate you. Unless there is an emergency, it is requested that calls not be made to the teachers during class time.

Written communication is required when:

- A different person is picking up your child
- Your child will be picked up at a different time
- Your child has been absent
- You have a change of address, email address, home phone number, cell phone, or work number

### Observations

We ***strongly encourage*** parents to observe in the classrooms. We limit the observation to two (2) sets of parents per class and ask that your observation take place between 8:25 and 9:30 a.m. Please call the main office line at (716) 881-6565 to schedule an observation.

### Conferences

There will be one scheduled conference concerning each child's progress during the Fall term -- one in October for new students, and one in December for returning students. There are two days set aside in the Spring term during which all students (new and returning) will have their second conference day. We expect all custodial adults to attend these conferences when possible. Students in the Early Childhood Program do NOT attend their conferences; no school occurs on these days and students are expected to remain home.

In addition, a conference (or phone call) with teachers may be requested by email or phone call at any time.

### Guest Readers

We welcome guest readers to come into the classroom at 8:25 a.m. to read their favorite story to the children. If this is of interest, please call the main office line at (716) 881-6565.

### **Visit Days**

Several times a year, adults close to the child are invited to spend the morning working with their child in his/her classroom. This is a special treat for all concerned. These dates (which include Parent Breakfasts, Carols and Cocoa, etc) are listed on the Nardin Montessori calendar.

### **Volunteering**

We encourage parents to share their special talents and skills with the children. If this is of interest, please call the main office line at (716) 881-6565.

### **Modification to Handbook**

Nardin Academy Montessori reserves the right, at any time, to make all and any changes in school policy and to take action other than that specified in this handbook. This handbook does not create a contract, express or implied.
